## Tackle Football Parent Consent Form 2017

The Whatcom County Youth Football League is a program of the Boys & Girls Clubs of Whatcom County. The 6th/7th and 8th grade teams are part of the B&GC of Whatcom County and play in the NCYFL.

Every practice and game will have a first aid kit and a cell phone at the site. All practices and games must be supervised by the head coach or an appointed designated safety director.

Parents/guardians understand that tackle football is a contact sport that may lead to contact related injury. It is the responsibility of the parent/guardian to assure their child's fitness and health. By virtue of their child's participation in practices and games, the parent/guardian assures that their child is physically and emotionally capable to sustain the rigors of full contact tackle football.

Parents/guardians and players are responsible to assure that all equipment is in safe condition and is properly fitted and worn. All helmets must be safety inspected with the approval sticker attached. No child may participate without the appropriate safety approvals.

Parents/guardians acknowledge that primary medical insurance is their responsibility. Insurance provided through the program is secondary in nature, is limited, and forms; procedures, claims and negotiations are between the insurance company and the parent/guardian, NOT the Boys & Girls Clubs of Whatcom County. The secondary policy may not cover any or all costs, which become the sole responsibility of the parent/guardian.

All rules, procedures and program administration are the sole responsibility of the Boys & Girls Clubs of Whatcom County (Except NCYFL age groups).

Under no circumstances will (Juniors) scrimmage or hit against (Seniors).

Parents/ Guardians are expected to set the example for exemplary sportsmanship. Decisions of the coaches and/ or referees should be addressed respectfully and in the absence of all youth.

Parents/Guardians have read and understand the rules of the league as well as all information in the *Insider*. Parents, coaches, players may also be required to take specific safety classes through the USA Football *Heads Up* program.

Parent/Guardian

This form must be signed by parent/guardian as receipt of knowledge and understanding of the above. The parent/guardian agrees at all times to support the rules of the program and to be honest and ethical in all matters.
