### Week 1: Mad Science 06/24 - 06/28

Start off summer by letting our Clubhouse become your laboratory! Conducting experiments, testing theories and busting myths. We will all become scientists this week with a variety of experiments, with fun results!

### Week 2: Water Week (Free For All Members) 07/01 - 07/03

Free for all Club members to join in the fun. With the best fun in the sun, WATER! Activities ranging from water relay races, boat races and water games galore! Come join us with a HUGE splash!

\*Registration is required, must have an current membership to participate.

### Week 3: Builders Brigade 07/08 - 07/12

This will be a once in a lifetime opportunity to be creative and hands on. Kids will have the opportunity to make and test hypotheses related to building, constructing and supporting. Kids will build free standing innovative structures made out of everything from open ended material to classic building items. Building and constructing will act as a medium through which to explore teamwork and discuss friendship.

### Week 4: Space Week 07/22 - 07/26

Ready for an out of this world experience? Come join us for Space Week while our Clubhouses reach for the stars and explore the final frontier, space! Rockets, solar systems and even Star Wars will be included in this interstellar week, boldly going where NO Club has gone before!

### Week 5: Planet Earth 07/29 - 08/02

Come have an adventure with us learning about plants and animals in this world. From the depths of the ocean to the tops of the mountains and everything in between!

### Week 6: Extreme Games 08/05 - 08/09

Get ready for a week of over-the-top fun and competition when Extreme Games come to the Club! Games to challenge all our kids not only physically but also mentally. Human Chess, Capture the Flag, the Amazing Race and many other Extreme Games. Join a team, wear your team colors proudly and take part in a heated competition under the summer sun all week long!

### Week 7: World Travelers 08/12 - 08/16

Travel the world in our Clubhouse! Cooking, baking, singing, playing, reading, art and dancing will provide an opportunity to teach us about acceptance and inclusion. We will continue conversations about friendship and tolerance, while exploring the world.

### Week 8: Super Hero Week 08/19 - 08/23

Our last week of summer definitely will be super. Not all heroes wear capes and they come in all shapes and sizes. We will spend our week celebrating and learning about the heroes in our lives, from Superman and Wonder Woman to the heroes in our own backyards.
