Week 1: Summer's Here! 06/22 - 06/26

Welcome to our first week of summer camp. Members will engage in ice breakers, community builders, and start the summer off with a bang!

Week 2: Animal Planet 06/29 - 07/02 (closed July 3)

From the depths of the ocean to the tops of the mountain, come have an adventure with us and learn about animals all over the world!

Week 3: Summer Scientists 07/06 - 07/10

Let the Clubhouse become your laboratory! Conduct experiments, bust myths, and test theories. We will all become scientists this week!

Week 4: Around the World 07/13 - 07/17

Travel the world this week! Cooking, singing, art, and dancing will provide an opportunity to teach us about acceptance and inclusion.

Week 5: Going Green 07/20 - 07/24

This week we will learn about being eco-friendly and our planet. We will get outdoors and engage with the world around us!

Week 7: Out of this World! 08/03 - 08/07

Reach for the stars and explore the final frontier. We will study everything from rockets to solar systems, going where no Club has gone before.

Week 8: Drama Matters 08/10 - 08/14

Put your creativity to use! We will engage in activities involving acting, the arts, dance and ending the week with a performance.

Week 9: Beat the Heat 08/17 - 08/21

Make a splash with this week's activity- WATER. Beat the heat with water games galore!

Week 10: Play On! 08/24 - 08/28

Wrap up the summer with this fun & fitness week! Learn about the importance of health while getting active with challenging games that test members physically and mentally.
