

2021 Fall Volleyball Registration Guide

The Athletic Department of The Boys & Girls Clubs of Whatcom County is very excited to be bringing Volleyball back for the fall of 2021. Registration will look different than in years past, and we want to make sure that you know exactly what to expect.

What am I registering for?

- When registering in the BGCWC Portal, you are selecting your child's division, and days of practice wanted (Either Monday/Wednesday or Tuesday/Thursday).
 - For Example, in the portal, "21 Fall Volleyball M&W 3rd & 4th Grade" means this is Division 3rd/4th grade, and the team will practice on Mondays and Wednesdays at the location you have selected.
- Space is limited, so registering on the last day does not insure you will get a spot on a team.

How do I get my child on the same team as their friend?

- This is a 2-step process.
 - You must sign up for the same division and practice days as your teammate that you are requesting. Signing-up for different days as the coach is assigned means we are less likely able to complete your teammate request.
 - You must complete our "Fall 2021 Volleyball Coach & Teammate Request" form found on our website at www.whatcomclubs.org/athletics/volleyball/

We will only be taking 1 Teammate request per athlete.

How do I request for my child to be with a certain Coach ?

- You must complete our "Fall 2021 Volleyball Coach & Teammate Request" form found on our website at www.whatcomclubs.org/athletics/volleyball/

There are no guarantees that the coach you have requested is available on the days you have requested to practice.

Interested in Coaching or Refereeing?

Please reach out to the BGCWC Athletic Department for more information!
